

## Lone Peak Swim Team 5A State Swimming Results 2017

To qualify to swim in an individual event at the state meet you must have one of the top 24 times in 5A for the year in that event. Swimmers are allowed to swim 2 individual events and up to two relays. Each team is allowed to have only one team swim for each relay. Points are scored up to 16th place and are double for relays. It is a huge accomplishment just to qualify to swim in the state meet. Individual Events - 1st - 6th Place Medal, Relays - 1st-3rd Place Medal
