

Dear Seniors and Parents of Lone Peak High Seniors,

November 12-16, 2018, is Utah College Application Week at Lone Peak. College Representatives and LPHS Counselors will guide students on the path to college by helping them complete college applications.

- Students can receive assistance during our Open Lab Afternoon on Nov. 12, 1:15 - 3:00 p.m. Colleges in attendance that day include: DSU, SUU, UofU, USU, and UVU.
- Additionally, the Career Center computers will be open during lunch and after school on Nov. 13-16, for students to complete their college applications.

College can be anything from a one-year certificate to a four-year degree and beyond.

---

Lone Peak is sponsoring our **FAFSA Completion Night** on Nov. 13th, 5:30 - 7:00 p.m. The FAFSA is the application that students submit to get federal and state money as well as college/university money for college. The FAFSA determines eligibility for grants (free money), work-study (earned money), and loans (borrowed money).

**Beginning this year, completing the FAFSA is a requirement for the Regents' Scholarship.** Even though you have to submit the FAFSA, you **do not** need to qualify for federal grants, work-study, or federal student loans to be awarded the Regents' Scholarship.

For more information on FAFSA and paying for college, go to:  
<https://stepuputah.com/site/uploads/2017/08/2017-18-PFC-Guide.pdf>

**Can't make it to our FAFSA event? Find other FAFSA completion events in our area here:** <https://stepuputah.com/events/>

Complete your FAFSA at <https://studentaid.ed.gov/sa/fafsa>.
