

Have an NC?

Here are some things you can do to fix it:

Ask your parent

if they have excused everything that they want to excuse

Ask your teacher

“Is there anything I can do to make up attendance in your class?”

(Then, your teacher will email the attendance office)

Go to attendance school

Pay at the finance office if it's for a different term

Go to an approved attendance activity

A list of approved activities is available in the office

Help is available in the Attendance Office
